Overall Length:

3.283 inches

Overall Width:

Between 0.626 inches and 0.635 inches

End Application:

C-17a aircraft

Hole Quantity:

3

Side For Which Designed:

Both sides

Product Name:

Plate, structural-roller, uplatch, aft, mlg

Aircraft Location:

Mlg

Aircraft Mission Design Series:

C-17a

Special Features:

T.O. 1c-17a-4-32 fig 25 ind90

Height:

2.307 inches

Material:

Stainless steel

Surface Treatment:

Passivate and primer epoxy and paint polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
