**Overall Length:**

16.000 feet

**End Type:**

Loop both ends

**Breaking Strength:**

480.0 pounds

**Core Construction:**

Independent wire rope

**Special Features:**

Stranded stainless steel with green nylon coating

**Material:**

Steel

**Material Specification:**

CI-23-ska mfr ref single material response

**Surface Treatment:**

Copper alloy wire rope

**Surface Treatment Specification:**

CI-23-ska mfr ref single treatment response wire rope

**Style Designator:**

7 x 7

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A082a0
