**Hole Diameter:**

0.825 inches

**End Application:**

1650-01-538-6112 cylinder assembly; mv-22 aircraft

**Hole Shape:**

Round

**Product Name:**

Tailstock assembly; inavy: tailstock assembly, aircraft

**Special Features:**

1 tailstock, 2 bushings, 1 insert scr thread locking

**Material:**

Titanium alloy

**Material Specification:**

Ams 1929 ti-6al-4v national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A264a0
