Overall Length:

6.925 inches

End Connection Type:

Threaded and plain

Special Features:

Material document and classification: mil-s-6758; 0.996 in.Od unthreaded end 0.220 in.Od of threaded end, 0.335 in.Id; fsc application data: aircraft hydraulic system

Material:

Steel

Thread Size And Series/type Designator:

3/8-24 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A525x0
