**Overall Length:**

11.780 inches

**End Connection Type:**

Threaded

**Special Features:**

Material document and classification: mil-s-6049; thd one end; fsc application data: aircraft hydraulic system

**Material:**

Steel

**Thread Size And Series/type Designator:**

1/2-20 unf

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A525x0
