Overall Length:

2.135 inches

Outside Diameter:

2.165 inches

Attachment Method:

Retaining ring

Valve Model Number For Which Designed:

3186969

Material:

Aluminum alloy

Material Specification:

Qq-a-591, alloy 380 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513b0
