**Special Features:**

4 way, 3 position selector solenoid operated, designed for hydraulic oil, o/a dim.6.85 in.Lg, 4.700 in.W, 1-5/16-12 un-3b thd end c0nnections, operating pressure from 100 psi to 3000 psi, operating voltage range, 20-30 volts dc at -65 degrees f to plus 275 degrees f at 3000 psi, 8 amps at 27 volts dc at 70 degrees f, continuous duty, explosion proof

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A506h0
