Linear Actuating Cylinder Piston Rod - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/1650-00-700-1614>

Overall Length:

22.375 inches

End Connection Type:

Threaded

Special Features:

Material document and classification: qq-s-763, cond a; surface finish: passivated; 0.265 in.Dia; both ends thd; 45 degrees chamfer on both ends

Material:

Stainless steel

Thread Size And Series/type Designator:

1/4-28 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A525x0
