Linear Actuating Cylinder Piston Rod - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/1650-00-773-1484>

Overall Length:

11.500 inches

End Connection Type:

Threaded

Special Features:

Material document and classification: mil-s-5000, cond d; 2.250 in.W; 1.250 in.Thk stock size; thd one end; fsc application data: aircraft hydraulic system

Material:

Steel

Thread Size And Series/type Designator:

7/16-20 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A525x0
