General Description:

Consists of, block part no. 229381, piston part no. 79083, retainerslot must be in line with bearing bore, 1 hole 0.187 in. Dia, 0.750 in. From center hole to rod end

Fsc Application Data:

Hydraulic system, acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
