**Body Material:**

Steel

**Compressed Length:**

7.060 inches

**Extended Length:**

9.060 inches

**Integral Valve Operation Method:**

Hydraulic

**Design Characteristics:**

Double acting single cylinder

**Mounting Type And Location:**

Fork cylinder head end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A34200
