End Application:

Grumman aircraft corporation hydraulics-nose gear lock cylinder-piston, p/n 128h0059

End Connection Type:

Threaded

Special Features:

Material document and classification: ams 5612; c/o p/n 128hm10110-3; lubricator 1, p/n nas516-1; bearing 1, p/n g-b14c-4

Material:

Stainless steel

Thread Size And Series/type Designator:

5/16-24 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A525x0
