Overall Length:

0.660 inches

Outside Diameter:

0.630 inches

End Application:

B-1b aircraft hydraulic system

Material:

Steel

Material Specification:

Ams5643 assn standard 1st material response or ams5604 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513b0
