End Application:

Elevation actuator, delso electronic corp, models 25mm, 40mm and 105mm

Special Features:

Machined round shaped; material document and classification: c63000 per qq-c-465

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A525y0
