**End Application:**

Elevation actuator, delco electronics corp, models 25mm, 40mm and 105mm

**Special Features:**

Material document and classification: c63000 per qq-c-465; hexagon shaped; 8 mounting holes

**Material:**

Copper alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A525y0
