Overall Length:

0.475 inches

Outside Diameter:

0.780 inches

Attachment Method:

Threaded

End Application:

Pacer dawn

Valve Type For Which Designed:

Check

Valve Model Number For Which Designed:

17-380 and 17-382 and 17-383

Special Features:

Nha p/n a53507

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513b0

Mil-std (military Standard):

Mil-a-8625 spec.
