Overall Length:

5.000 inches

Overall Width:

3.000 inches

End Application:

1660-00-325-2746 for the kc135

Product Name:

End cap

Special Features:

End cap for elevator surface snubber assembly

Material:

Aluminum

Reference Data And Literature:

T.O. 9h8-22-9-4

General Description:

Material al2024, qq-a-200/3, t4; heat treatment, tempered t4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
