

View Online at <https://aerobasegroup.com/nsn/1650-01-452-7437>

Overall Length:

0.495 inches

Attachment Method:

Threaded

End Application:

Nsn 1650-01-327-1355 hydraulic manifold assembly; w/s code 11f, galaxy c5 aircraft

Special Features:

0.747 in. Hex wrenching feature

Material:

Aluminum alloy

Material Specification:

Ams 4120 2024-t4 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513b0
