Aircraft Fluid Pressure Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1650-01-468-2806

Product Name:
Valve, metering
Special Features:
Detail part; metering valve and housing set for fuel pump assembly 897390; used on turbo prop engines
Specification Data:
99193-867540-2 manufacturers specification
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A21100
