Overall Height:

Between 1.540 inches and 1.600 inches

Overall Diameter:

Between 7.100 inches and 7.120 inches

End Application:

P3-c aircraft

Criticality Code Justification:

Agav

Product Name:

Inavy) cover half, preswirl

Special Features:

Cover with one (1) hole with a 0.49 to 0.51 inch diameter and two (2) holes with 0.22 to a 0.24 inch diamters located 0.87 to 0.89 inches either side of larger hole, on cover side wall

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
