Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/1650-01-481-1554>

**End Application:**

J stars

**Design Characteristics:**

Double acting single cylinder

**Mounting Type And Location:**

Trunnion center section

**Special Features:**

Nose landing gear steering cylinder

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
