Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1650-01-481-1554

End Application:
J stars
Design Characteristics:
Double acting single cylinder
Mounting Type And Location:
Trunnion center section
Special Features:
Nose landing gear steering cylinder
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A34200
