**End Application:**

Drive motor assembly; 3130148310 aircraft stores

**Special Features:**

Input 34 hydraulic horsepower

**Functional Description:**

Used in gsu - 361/e

**Supplementary Features:**

28 horsepower delivered via output shaft

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T103-f
