**Width:**

Between 3.220 inches and 3.280 inches

**Attachment Method:**

Drilled hole

**Special Features:**

Hole edges.005 to .020

**Material:**

Steel

**Material Specification:**

Qq-s-634, c1020 national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A513b0
