Width:

Between 3.220 inches and 3.280 inches

Attachment Method:

Drilled hole

Special Features:

Hole edges.005 to .020

Material:

Steel

Material Specification:

Qq-s-634, c1020 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513b0
