End Application:

F-15 aircraft nose gear actuator

Criticality Code Justification:

Agav

Product Name:

Head, cylinder--nose gear actuator

Special Features:

Part number 200945008-10 is an altered item drawing based on boeing drawing 68a45281. Boeing part number 68a452812-1001 becomes air force part number 200945008-10;

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A525y0
