Product Name:

Filter element

Special Features:

Fluid media skydrol 500b, rated flow 1gpm. element collapse pressure 3000psi. Fluid operating temperature neg 65 to positive 250 degrees

f. Filter media cres wire mesh, welded.

Material:

Stainless steel filtering medium

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
