General Description:

Esteeel, corrosion resisting, mil-t-8504, condition a, type 304, 17.432 in min 17.447 in maximum lg from center hole to center hole, 2 holes
0.165 in min 0.168 in maximum diameter spaced 0.250 in from centerhole to end

Fsc Application Data:

Heat and vent system, oxygen, aircraft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
