General Description:

0.688 in. Lg, external threaded one end 0.470 in. 5/16-32nef-3athread, smallest id 0.093 in.Largest id threaded 1/4-28nf-3b thread, material phosphor bronze rod free cutting per qq-b-750 comp b

Fsc Application Data:

Aircraft air to air heat exchanger installation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
