Overall Length:

38.400 inches

Overall Width:

6.000 inches

Material Thickness:

0.012 inches

End Application:

T-29 aircraft

Aircraft Location:

Cabin

Aircraft Mission Design Series:

T-29

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
