Overall Length:

26.100 inches

End Application:

B-52 aircraft

Aircraft Mission Design Series:

B-52

Special Features:

2.000 in. Dia

Material:

Aluminum alloy 5052

Material Specification:

Ww-t-700/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
