End Application:

B-52 aircraft

Aircraft Location:

Ram air duct assembly, section 47 an/asg-21

Aircraft Mission Design Series:

B-52

Special Features:

3.000 in. Od

Material:

Aluminum alloy

Material Specification:

Ww-t-788 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
