End Application:

F-106a aircraft

Aircraft Mission Design Series:

F-106a

Special Features:

2.000 in. Dia

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-327, temp t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
