**End Application:**

F-106a aircraft

**Aircraft Mission Design Series:**

F-106a

**Special Features:**

2.000 in. Dia

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-327, temp t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
