**Material Thickness:**

0.350 inches

**Aircraft Mission Design Series:**

B-52g

**Special Features:**

Round seamless aluminum; 1.500 in. Od

**Material:**

Aluminum alloy

**Material Specification:**

Ww-t-700/6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
