End Application:

B-52g aircraft

Aircraft Mission Design Series:

B-52g

Special Features:

Round seamless aluminum tube, 1.500 in. Od

Material:

Aluminum alloy 6061

Material Specification:

Ww-t-700/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
