Overall Length:

15.000 inches

Overall Width:

12.000 inches

Material Thickness:

0.032 inches

Aircraft Location:

Pneumatic system

Aircraft Mission Design Series:

B-52

Special Features:

Duct-half y

Material:

Stainless steel

Material Specification:

Mil-s-6721 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-s-6721 spec.
