**Special Features:**

Assembly c/o: duct , cap, duct material alum ally tube ww t700/4, duct diameter 0.0750 in nom, 15 holes 0.190 in. Dia, cap mat alum alloy sh; thk 0.063 in. Nom, maximum oper press 16psig, maximum operating temp 160 degrees f

**Material Specification:**

Qq-a-250/8 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A11800
