End Application:

C-135 aircraft

Aircraft Location:

Tube assembly

Aircraft Mission Design Series:

C-135

Special Features:

Hydrostatic proof pressure test to an internal pressure of 300 psig at room temperature; finish f-4.10; consist of one elbow assembly, four tube half-matl inconel 625 sheet per ams5599, finish f-25.05; two elbow half stock size 0.050 sheet x 5.000 x 7.300 in. Matl inconel 625 sheet per ams 5599, finish f-25.05; one tube stock size 0.050 wall x 3.000 x 3.900 in., matl inconel 625 tubing per bms7-188 type 1, finish f-25.05; two flange; nha 65c18640-606; pneumatic installation strut

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
