Special Features:

33.42 lg; 6.50 in. Od; operating press 40 psi; operating temp 360 deg. F; service life 100, 000 press and deflection cycles; reference data and literature: 11047

Specification Data:

36659-672228 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
