End Application:

F-16c/d aircraft

Aircraft Location:

Engine to inlet duct seal adapter

Aircraft Mission Design Series:

F-16c/d

Special Features:

Finish a100; stock size a/r; opposite -13; nha 16p3180-3; eff 37 0001 9999

Material:

Aluminum alloy

Material Specification:

Qq-a-367-t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
