End Application:

B-52 aircraft

Aircraft Location:

Electronic cooling duct

Aircraft Mission Design Series:

B-52

Special Features:

Finish f-2.960; stock 1.500 in. Diameter by 0.035 in. Wall thickness; nha 377-10574

Material:

Aluminum alloy 6061

Material Specification:

Ww-t-700/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
