Aircraft Air Conditioning-heating Duct Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1660-01-264-8623

End Application:
Aircraft model b-1b
Special Features:
Make from all alloy investment or plastic mold casting, alloy a356.0 per lb0170-195 class 11; nha l5341200
Supplementary Features:
Functional description: used on turbine bypass tee duct
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
