**End Application:**

B-52 aircraft

**Aircraft Location:**

Crew cold air supply transition duct

**Aircraft Mission Design Series:**

B-52

**Special Features:**

Finish f-2.21; stock 3.000 in. Od by 0.035 in. Wall; nha 520-10031

**Material:**

Aluminum alloy 6061

**Material Specification:**

Ww-t-700/6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
