Aircraft Location:

Cargo compt air distribution

Aircraft Station Number:

Fs1613.86

Aircraft Mission Design Series:

C-5a

Special Features:

Space cargo mods

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
