Overall Length:

2.800 inches

End Application:

Aircraft model f-18

Aircraft Location:

Anti-ice system

Material:

Aluminum alloy 5052

Material Specification:

Ww-t-700/4, cond o federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
