| Overall Depth:                           |
|--|
| Between 10.400 inches and 10.560 inches  |
| Overall Height:                          |
| Between 5.010 inches and 5.590 inches    |
| Overall Width:                           |
| Between 14.960 inches and 15.040 inches  |
| Cooling Medium:                          |
| Air                                      |
| Case Material:                           |
| Fabric                                   |
| Tube Material:                           |
| Fabric                                   |
| Coil Tube Quantity:                      |
| 1  |
| Tube Circuit Quantity:                   |
| 1  |
| Connection Type:                         |
| Flange                                   |
| Case With Built-in Condensate Drain Pan: |
| Not included                             |
| Shelf Life:                              |
| N/a                                      |
| Unit Of Measure:                         |
|  |
| Demilitarization:                        |
| Yes - demil/mli                          |
| Fiig:                                    |
| T240-c                                   |
|  |
