End Application:

E-2c aircraft

Aircraft Location:

Electronic cooling

Aircraft Station Number:

Fs168.125 to fs170.625

Aircraft Mission Design Series:

E-2c

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
