Aircraft Location:

Duct assembly flight deck

Aircraft Station Number:

Fs245.0

Aircraft Mission Design Series:

C-130

Material:

Steel comp 347 or steel comp 321

Material Specification:

Mil-t-8808 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800

Mil-std (military Standard):

Mil-t-8808 spec.
