Overall Length:

70.850 inches

Overall Width:

5.000 inches

Material Thickness:

0.025 inches

Aircraft Location:

Wing

Aircraft Mission Design Series:

C-17

Special Features:

Duct assembly, flexible, eng bleed air-wing le, ws 121.0 to 190.0

Material:

Stainless steel

Material Specification:

Dms1563 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
